From: Mayor P. Ted Husa  
Subject: Weddings and Civil Unions  
Date: January 11, 2008  
PC: Business Administrator Marie Goble

One of the traditional functions of being a mayor is to perform marriages. In February 2007, civil unions became legal in the state of New Jersey.

Because I anticipate very heavy demands on the office of mayor over the next four years, I have made the decision to decline all requests to perform marriages. This action will be until further notice.

Another opportunity in the Township of Denville would be to inquire of the Denville Judge as he is authorized to perform marriages and civil unions.

Additionally the Denville Township Division of Health has on file a document entitled;

## **REQUIREMENTS FOR MARRIAGE/CIVIL UNION LICENSE**

I would like to add that for those wishing to be married in the Denville area, there are a wide variety of Churches of different denominations to accommodate most individuals.
