**TO: Nimmi Kaur, General Manager, Hampton Inn**

**FROM: Mayor P. Ted Husa**

**DATE: March 14, 2008**

**RE: Permission to Park in Hampton Inn Lot during Sporting Events**

Dear Nimmi,

As we previously discussed, the Township has obtained permission from your neighbor Paul Barnish for the Denville Township Recreation Department programs to use his empty lot directly to the West of Hampton Inn. He has also given his permission for us to use some parking spaces to the North and West of that lot. Parking is also available on Morris Ave. We would like to ask your generous permission to use the last most western row of parking spaces in your lot directly adjacent to Mr. Barnish's property. If this permission were granted we would use only those spaces that you would designate and only during the hours that you would designate. In return we would provide you a certificate of insurance for liability indemnification from our insurance carrier should there be any accident involving those spaces on your property. We anticipate the agreement would be for calendar year 2008 only and subject to your reconsideration annually.

Incidentally, the field adjacent to your property is earmarked for soccer, rugby and lacrosse practice only. No baseball or softball would be allowed on this field. No regular matches will be held there.

The Denville Recreation Department has been expanding exponentially and the use of these parking spaces would make it much easier to access the field during practices. We appreciate your kind consideration of our request.

Thank You
