RE: Agreement Between Denville Township and The Rock Ridge Association

Dear Kurt,

As per our discussion recently and also as per my discussion with Mr. Lowell Denville's DPW Director, the following represents an agreement for the use of the small softball field on East Glen Road, during the months of April, May and June.

You have stated the Township could use the softball field for Township sponsored baseball and softball games, as per a pre-agreed schedule and in turn the Township will provide the following. 1) The Township will mow the grass during those months only. 2) The Township will empty any garbage cans and recycle bins within close proximity of the field of refuse created during sporting events during those months only and, 3) The Township will provide 3 yards of infield sand/clay, one time per season and it will be applied at the beginning of the season.

Also, the Township will provide a certificate of insurance to Rock Ridge Association and the Association will provide their certificate to the Township.

Per agreement also it is agreed that sports participants will only park in the designated parking area immediately adjacent to the field and on the West side of East Glen Road only.

This agreement is signed by:
