**TO: Denville Police Department**

**FROM: Mayor P. Ted Husa**

**DATE: Nov. 06, 2008**

**REF: Departmental Thank You**

Dear Chief Wagner,

Before 2008 slips quietly away, I want to extend my personal thank you for your hard dedicated work so far this year. I want all members of the department to know I read every one of the PUBLIC INFORMATION RELEASES and each time I do so I am very grateful for the effort you put in to keep our town and streets safe. Time after time you take dangerous drivers off our streets, thereby reducing the threat of further unfortunate incidents. Only providence knows how many lives are saved and injuries are spared in Denville and in other towns because you went the extra mile and extended yourselves in this capacity.

Policemen and women, by nature blend a mix of rule of law and compassion and I know you do just that. From my vantage point you excel in all these capacities, law enforcement, delivering justice, community involvement. I am aware of some of your outside community involvements, such as, coaching sports, serving on volunteer boards, serving on Denville's sports council, helping with Township projects (Bike Rodeo, Health Fair), etc. These are commendable activities for an exemplary force.

One note is that in years past one police officer always served as liaison from the department to the MAC committee. I failed to request that this year. I apologize for the oversight. I am hoping someone from the force could step forward and support the MAC committee and be part of that body as a voting member. Once I get a volunteer I will make the appointment. I feel especially strong about this because of some of the unfortunate events of 2008.

Thank you for your professionalism and the way you make us all proud to live in Denville.

P. Ted Husa  
Mayor
