REF: Requesting Consideration for Shared Soccer Field in Boonton Twp.

DATE: November 25, 2008

Dear Barbara,

Denville Twp. has entered into agreements with businesses, Lake Associations and with Morris County to share recreational fields in 2008. We have five such agreements in place so far this year. It has recently come to my attention that you have a large area that you share soccer fields with neighboring towns on the old Aircraft Radio grounds. We discussed this recently on the phone. Denville's need in this area is only temporary as we are building permanent fields at several locations in town, however, if as we discussed, we could use some fields there until such time as our permanent fields are completed, in return we could assist you in some aspects of the field maintenance. This is not a commitment on our part, but if you would be agreeable to discussing this with us, I am sure we can come to a mutually agreeable arrangement.

If this is something you see as a feasible alternative, please call me at 973-625-8300 X 224. We thank you in advance for your cooperation.

P. Ted Husa
