

## *"Open Space Committee Clean-up Project"*

*Saturday, March 27, 2010, 8 AM*

### **Muriel Hepner Park & Hollstein Park**

**Co-sponsoring Committees: Beautification,  
Environmental, Green & Recreation**

Please meet at 8 AM at Muriel Hepner Park for a quick walk through of the clean-up activities. The purpose of this clean up is two-fold;

- 1) To fulfill our obligation for the recently awarded \$25,000 state grant we are required to provide an in-kind donation of time, labor and materials.
  - 2) To open up areas for use by the public: picnic areas and trails
- Please bring your own tools: rakes, shovels, clippers, picks, etc.
  - Please label all of your own tools with your name.
  - Walk through starts at 8AM followed by safety briefing.
  - Instructions listing clean-up activities are posted on wire markers throughout the park.
  - Mulch and wheelbarrows will be provided.
  - At 10 AM a work party will go to Hollstein Park for trailblazing.
  - Trailblazing or path creation will occur in both parks.
