

Proclamation

Whereas, in 1998, Pierre OHEIX from Denneville FR contacted the Township of Denville Mayor's office for the purpose of introducing himself and establishing communication between our two communities; and

Whereas, Pierre OHEIX had found the Township of Denville as a result of a postcard from the Township of Denville USA, sent by a French citizen living in Montville, to her friend, Michel Langlois of Denneville FR; and

Whereas, Pierre OHEIX expressed an interest in creating a sister-city relationship, formal or informal, among the Township of Denville USA, Dennweiler, Rheinland-Pfalz GR, and Denneville FR; and

Whereas, over the ensuing years, communications were exchanged between two Township of Denville mayors and two Denneville mayors; and

Whereas, Denneville FR has established a formal relationship with Dennweiler GR, and participation from the Township of Denville USA would complete the envisioned triangle;

Now, therefore, I, P. Ted Hussa, Mayor of the Township of Denville, County of Morris, State of New Jersey, USA, do hereby thank Pierre OHEIX for his many efforts to establish a dialog with the Township of Denville USA. I do further proclaim that my administration is interested in re-establishing a dialog with Denneville FR and establishing a dialog with Dennweiler GR to foster better understanding and cooperation among the peoples of the world.

P. Ted Hussa, Mayor
