

Curbside Pickup of Recyclable Cans, Bottles and Jars, Newspaper, Mixed Paper & Cardboard Boxes

Denville contracts with the Morris County Municipal Utilities Authority to provide residents with every other week pickup of recyclable cans, bottles and jars, newspaper, mixed paper and boxes. All materials must be at the curb the night before scheduled collection and separated as follows:

Mixed recyclables - Aluminum and steel (tin) cans, glass bottles and jars, plastic bottles (#1 & #2), newspaper, junk mail, magazines, office paper, soft-cover books, corrugated cartons, brown bags, chipboard (cereal, egg cartons and paper towel cores), may all be mixed together, curb-side pickup only. NO beer or soda six/twelve packs or any metallic coatings.

For the purpose of scheduling, the township is divided into three sections: Section 1 - north of Interstate 80, Section 2 - All streets between State Highway 10 and Interstate 80, and Section 3 - South of State Highway 10. The section assigned to each street is noted on the page listing wards for brush and leaf pickup. The pickup dates by Section for 2009 - 2010 follow:

Appliance and Metal Pickup -Please see note in Recycling Center Drop Off section below.

Recycling Center Drop-Off of Leaves, Brush, Recyclable Cans, Bottles & Jars, Newspaper, Mixed Paper and Cardboard Boxes

Denville maintains a comprehensive recycling center at its Department of Public Works at 140 Morris Avenue. The recycling center is open Monday through Friday from 7:00 a.m. to 3:30 p.m. and Saturday from 8:00 a.m. to 2:00 p.m. The center is open FOR LEAVES ONLY on Sundays from October 25 through December 20 from 11:00 a.m. to 1:30 p.m.

Please follow the instructions carefully. Placing non-recyclable material or wrong materials in the bins will result in rejection as "contaminated" by our recycler. This material will then simply be classified as garbage and cost residents more money than if they had thrown it away in the first place. Upon arrival at the center, you will see bins and areas designated for specific recyclables as follows:

Mixed Recyclables - Aluminum and steel (tin) cans, glass bottles and jars, plastic bottles (#1 & #2)

Newspaper - Does not need to be tied and bundled

Mixed paper - Junk mail, magazines, office paper, soft-cover books

Corrugated cartons - Brown bags, chipboard (cereal, egg cartons & paper towel cores)

NO beer or soda six/twelve packs or any metallic coatings

Electronics - Computers, monitors, keyboards, TV's, radios, etc.

Tires - Limit 2 per drop-off. No rims. Attendant may ask for proof of Denville residency.

Batteries - Automotive and Household – Special enclosed areas on site

Clothes and Toys - Special receptacles on site

Metal (excluding cans) - grills, propane tanks, tire rims, car parts, etc.

Grass & Leaves - Dumpster provided. NO bags.

Brush - Loose, not tied or bagged. Nothing in excess of 6" diameter

Christmas trees - NO bags please

Special note on Appliances: Denville provides curbside pickup of large metal items (Appliances, etc.) by appointment only, every Wednesday. Please phone 973-625-8334 no later than 3:30 pm Monday. This service is not available during weeks that include a holiday.

Garbage Collection

Trash collection is scheduled twice weekly as follows:

North of US Highway 46 Tuesday and Friday
South of US Highway 46 Monday and Thursday

Collection begins at 6:00 am and residents should place cans at curbside the morning of pickup. Placing cans out the night before is permitted after 5:00pm, but Denville is home to raccoons and bears as well as domesticated dogs that are likely to pilfer garbage if it is left outside the night before. Cleanup of garbage spilled by animals is the responsibility of the homeowner. Cans must be removed from the street by evening of the same day. Each household is permitted two 30 gallon cans (with lids) and one bulky item per pickup. Construction material must fit in the cans.

There will be no trash pick up and the recycling center will be closed on New Year's Day, Memorial Day, July 4, Labor Day, Thanksgiving and Christmas Day. If your collection is scheduled for these days, it will be done the next day, i.e.; Monday on Tuesday, Thursday on Friday.

There are occasions when inclement weather, or equipment breakdown may prohibit completion of a route. Any questions regarding pickup or schedules should be directed to 973-625-8300 Ext. 274.

Snow Removal

It is the mission of the Department of Public Works to clear Denville's roads of snow and ice as quickly as possible. We have a dedicated workforce and maintain the finest equipment. Depending on the severity and composition of a storm, there may be delays in clearing some roads. Our initial objective is to open all roads beginning with our primary arteries and proceeding to our secondary and tertiary roads. Once all roads are open we begin the process of widening the cleared roads to their full width and clearing intersections. It is during this process that we are likely to plow snow back across the driveway you just cleared. Please understand that we have no alternative. We need your cooperation to ensure that the roads are rapidly returned to a safe condition. Please observe the following regulations:

Denville Ordinance #3-4.3 "All persons are **PROHIBITED** from shoveling, throwing, casting, placing, plowing, or depositing snow and ice, which accumulates on private property, upon sidewalks or streets of the Township.

"Sidewalks must be cleared by the property owner within 12 hours from the end of snow fall."

Denville Ordinance 7-3.8 prohibits parking on township streets that are snow covered until the "roads have been plowed sufficiently and to the extent that parking will not interfere with the normal flow of traffic."

Wood Chips and Compost Available to Residents

The Ultimate Recyclable - Leaves, brush and grass are transported to the Morris County Municipal Utility Authority processing facility. Your fall leaves, brush and grass are converted into woodchips, mulch and compost and, beginning in April, are available for pickup at the DPW yard. These products are free to residents, but all products may not be available at all times.
