Cars have changed. So have traffic rules, driving conditions, and the roads you travel every day. Even the most experienced drivers can benefit from brushing up on their driving skills.

By taking the AARP Smart Driver course you'll learn the current rules of the road, defensive driving techniques, and how to operate your vehicle more safely in today's increasingly challenging driving environment.

Participants receive a certificate upon completion for a premium reduction for 3 years from their insurance carrier.

(Call your insurance carrier to determine your specific discount for completing a 'Defensive Driving' class).

The Smart Driver Class is open to all drivers of any age.

There are NO tests to pass.

NJ MVC points may be removed.
