Description: This exciting class being taught by veteran instructor Dawn Lau. Kinetic Kidz is a skill development class for boys and girls with a care giver. This class teaches flexibility, balance, strength, rhythm and agility. Your child will develop a keener sense of body awareness and coordinated movement with the help of their care giver. This class is designed to build motor skill development in a fun filled environment with movement, music, and games with the use of props. Parent/Care Giver will be expected to participate and act as role model. There is a minimum number of participants required for this program to run; if you have any questions please contact the Recreation Department 973-625-8300 ext. 238.
