Join the Fun at Cook's Pond

Cook's Pond is a 12 acre pond located off Entrance Way, in Denville. We are a family oriented swim facility, dedicated to maintaining a clean safe facility for its members. Resident and non-resident memberships are available to families, individuals, and seniors. Membership applications are available anytime from the Recreation Office, or at the Gate at Cook's Pond during the season.

Last summer we opened the latest addition of our continued improvements at Cook's Pond. The new "Bath House" opened Memorial Day Weekend. The bath house contains new Men's & Ladies restrooms that include changing stalls, a new First Aid Station/Lake Staff Office and a concession stand. We will be offering cold drinks, Ice Cream and other snacks to help you better enjoy your stay at Cook's Pond.

Improvements for this summer include a picnic pavilion with horse shoe pits, a bocce court and other surprises. Our goal is to make Cook's Pond your destination of choice!

As in the past we will continue with our swim lessons, weekend activities for the children, and back by popular demand the overnight camp out at the pond. There will be new activities this summer including a fishing contest for kids, and of course there is plenty of room to sunbathe on our white sand beach.

Grills and picnic tables are available for members use. The pond is also available for small family picnics (50 people or less) for an additional fee. If you would like to book Cook's Pond for a picnic please contact the Recreation Department at 973-625-8300 ext 238 or call the Cook's Pond Office at 973-627-2521. We need at least 2 weeks notice to book any picnic, this is to insure lifeguard/staff availability.

The water in the pond is tested every two weeks in accordance with N.J. State regulations to assure you and your family of clean, safe swimming conditions. So, why spend another summer stuck in the house-come out and join the fun at Cook's Pond.
