To the Perspective Employees 15 years of age and older:

Enclosed in this Job Applicant Packet you will find many of the answers to your questions about future part time employment with the Denville Recreation Department and more importantly the application itself.

Please read the instruction sheet as well as the application in full before completing the application.

1. Please have the applicant complete the application.
2. Please complete both sides, use a pen and write legibly. If we cannot read the application it will be returned to you.
3. Working Papers will not be accepted with applications. Working papers are a promise of employment and we can not guarantee that until after all interviews have been completed.
4. Applicants will be interviewed at the discretion of the Recreation Department Staff.
5. Being a returning staff member does not guarantee you that position in the following year.
6. Being a CIT (Counselor In Training) does not guarantee you a counselor's position.
7. If the applicant has a question about interviews, please call 973-625-8300 ext.238.
8. Attendance is very important. We will look to hire people who can work the entire length of the program. (Family vacations are not excusable.)
9. All applications for Summer Plus employment must be received by April 5th. This deadline is not negotiable. We need to schedule interviews and schedule training sessions for staff before June 1st. Interviews will be done on a first come basis and interviews may begin before April 5th.
10. If you are applying for a lifeguard position, please include all current certifications or a note telling us where your class is being held and when you will have completed the course.
11. We can not guarantee work schedules. With the exception of Summer Plus staff "all other employees" will be required to work weekends.
12. It is policy of the Denville Recreation Department to speak with the applicant only!
13. All interviewed applicants will be notified by phone or by mail no later than May 20th.

Thank You
