

# Wednesday is Denville's New Residential Recycling Day for the entire Township - --- starting in 2012.

To increase the efficiency and build upon the improvements already established through the changeover to single stream recycling, the township recycling collection day will be changing from every other Monday, Tuesday and Wednesday to every other Wednesday for the entire town starting **Wednesday, January 11, 2012**. If your collection day is currently every other Monday or Tuesday, it will change to every other Wednesday. If your collection is currently every other Wednesday, it will stay the same.

The township began single-stream recycling in August 2011. The new collection process now allows for the collection of all recyclables including paper, bottles and cans mixed in the same container(s). Along with single-stream recycling, many packaging items which were put into the garbage are now recyclable and can be put into your recycling container(s).

The last Monday collection will be on **Monday, December 12, 2011**.

The last Tuesday collection will be on **Tuesday, December 27, 2011**.
